### STRATEGIES ADOPTED

| Viewership in regional entertainment | - Regional entertainment is growing and therefore, the suppliers are able to expand their forte in the products.
| - Zee Television, Star TV have their regional channels both for entertainment and news.
| - The South Indian television industry is one of the oldest operational television sectors across the nation and is further growing due to the regional content. |

| Marketing strategies | - The manufacturing companies such as Videocon is offering combo deals such as LED/LCD sets with Videocon set-up boxes and dish services.
| - The Dish TV is also offering the set up boxes with many additional channels.
| - Increasing digitisation in the country is helping such companies to further add up to their revenues. |

| Television: A common medium | - As television industry is a dominant segment in the entertainment industry even the film makers promote their films at this platform so as to reach to the mass audiences for example the reality shows, TV advertisements, etc.
| - Many film producers, actors, etc have shifted to the television industry so as to remain in the race and maintain their fan following.
| - TV programmes being used as a medium of promoting films or other entertainment events.
| - After bagging media rights of Indian Premier League (IPL), Star India has also won broadcast and digital rights for New Zealand Cricket upto April 2020. |

| Audience: the ultimate consumer | - Audience is the ultimate consumer in this industry and therefore films, advertisements, music and all the products of entertainment sector is based on the tastes and preferences of the audiences of the nation. |

GROWTH DRIVERS
GROWTH DRIVERS OF MEDIA AND ENTERTAINMENT SECTOR IN INDIA

**Rising Income**
- India’s per capita income at current prices grew at the rate of 8.6 per cent to reach Rs 112,835 (US$ 1,750.74) in FY18.
- In 2017-2025, elite, affluent, aspirers and next billion income classes are expected to grow at a CAGR of 11 per cent, 9 per cent and 5 per cent, 2 per cent respectively.

**Investments**
- The Government of India increased the FDI limit from 74 per cent to 100 per cent.
- In H12018, five private equity investments deals were recorded of worth US$ 115 million.
- Total number of Mergers and Acquisition deals increased to 63 in FY17 from 58 in FY16.

**Government Initiatives**
- The Government of India has carved out a National Film Policy which will tap potential mainly in the animation segment.
- The Government of India has agreed to set up the National Centre of Excellence for Animation, Gaming, Visual Effects and Comics industry in Mumbai.
- The Indian and Canadian Government have signed an audio visual co-production deal to enable producers from both the countries exchange and explore their culture and creativity, respectively.

Apart from the impact of rising incomes, widening of the consumer base will also be aided by expansion of the middle class, increasing urbanisation and changing lifestyles.

The entertainment industry will also benefit from continued rise in the propensity to spend among individuals; empirical evidence points to the fact that decreasing dependency ratio leads to higher discretionary spending on entertainment.

Traditionally only advertising has been a key source of revenue for Media and Entertainment industry, but off late revenue from subscription and value added services has also contributed significantly. With consumers willing to pay for content and extra services, the subscription segment will play an important role in the post digitisation era.

**Note:** Income distribution is calculated in constant 2015 dollars; $1=65. Because of rounding, not all percentages add up to 100. F - Forecast

### Radio
- FDI limit in radio, including private FM channels have been increased from 26 per cent to 49 per cent.
- Private operators allowed to own multiple channels in a city, subject to a limit of 40 per cent of total channels in the city.
- Private players allowed to carry news bulletins of All India Radio.
- Further boost may be given to the radio sector by charging license fees on the basis of ‘net income’ so as to provide relief to loss making radio players.

### Television
- Digitisation of the cable distribution sector to attract greater institutional funding, improve profitability and help players improve their value chain.
- FDI limit for DTH satellite and digital cable network was raised from 74 per cent to 100 per cent by the government.
- No restriction on foreign investment for up-linking and downlinking of TV channels other than news and current affairs.

### Film
- Co-production treaties with various countries such as Italy, Brazil, UK and Germany to increase the export potential of the film industry.
- Granted ‘industry’ status in 2001 for easy access to institutional finance.
- FDI of up to 100 per cent through the automatic route has been granted by government.
- Entertainment tax to be subsumed in the GST; this would create a uniform tax rate regime across all states and will also reduce the tax burden.

**Notes:** FDI – Foreign Direct Investment, GST – Goods and Service Tax, DTH - Direct-to-Home

POLICY SUPPORT AIDING SECTOR GROWTH … (2/2)

| Print | - FDI/NRI investment of up to 26 per cent in an Indian firm dealing with publication of newspaper and periodicals.
|       | - FDI/NRI investment of up to 26 per cent in publications of Indian editions of foreign magazines.
|       | - FDI/NRI investment of up to 100 per cent in publications of scientific and technical magazines/ specialty journals/ periodicals. |
| Music | - Parliamentary approval on the Copyright Act (Amendment) Bill, 2012, which strengthens the royalty claims of musicians, lyricists and others in the field.
|       | - Policies are adopted against digital piracy and file-sharing to block illegal music websites.
|       | - Adoption of revenue sharing model by Copyright Board requiring FM radio companies to share 2.0 per cent of their net advertising revenues with music companies. |
| Animation, Gaming and VFX (AGV) | - 100 per cent FDI allowed in the sector through automatic route provided it is in compliance with RBI guidelines.
|       | - The government has carved out a National Film Policy to tap the potential of the film sector mainly for the animation segment.
|       | - State-level initiative by governments to encourage animation industry. |
